Once upon a time there was a happy girl. She was obsessed with hair and nail polish and everything girly in this universe. Then once upon a time this girl discovered Rocky and everything changed for her. But the main thing that separated this girl from the girly one, was that this girl wasn't so happy.

She threw herself into an abyss of only punching till she was the best in her class. And then, when she was the best, move on to the next class to become the best. She was easily the strongest PERSON in her grade but she wanted more.
